WALK FOR HEALTH

Started in 2022, Walk for Health, is an exciting and informative community event to promote social connection, physical activity, and overall wellness. The inaugural Walk for Health welcomed over 100 community members of all age groups.

The job and health fair which goes on simultaneously showcases booths featuring our community partners who represent agencies and non-profits, who like HEC, work to improve health outcomes in under-served communities. Health screenings and fresh produce are also made available to participants.

Throughout the year, HEC hosts Walk With Friends, a weekly walking group, at Robla Community Park and Elkhorn Community Park. Participants receive fresh produce and free resources that promote wellness and social connection.
