BACKGROUND

M.E.T.A. is a coalition of diverse stakeholders and Latino leaders dedicated to reducing health disparities in Gold Country Latino communities through the reduction of tobacco use.

M.E.T.A supports the work of LUCHA, the Gold Country Regional Collaboration led by the Health Education Council.

PURPOSE

Members contribute their unique expertise to develop and deliver anti-tobacco messages, programs and policy changes.

FOCUS AREAS

- Flavored tobacco, including e-cigarettes
- Cessation
- Smoke-free multi-unit housing
- Mental Health—Tobacco Connection
